Jln. Dr. Samratulangi No. 87, East Palu,  
Central Sulawesi 94111, Indonesia

## About Me

I am a passionate professional in the fields of Forestry and Land Mapping. With experience in reclaiming barren land, I am committed to restoring the beauty and function of lost ecosystems. My expertise in temporal analysis of area changes enables me to better understand and manage environmental changes. I believe that by combining mapping technology with sustainability principles, we can create a greener and more sustainable future. Let's work together to build a better environment!

## Skills:

Microsoft Office  
Project Managemen  
AcrGIS & Field Survey  
GPS (Smartphone Devices)  
Forest Planning & Digital Mapping  
Landslide & Flood Disaster Mitigation

## Education:

Tadulako University – Palu, Indonesia  
Bachelor's Degree in Forestry  
(B.Sc. Forestry) | 2010 – 2014  
Specialized in Forest Planning and  
Digital Mapping. Graduated in 2014 with

## Professional Experience:

**Founder & Managing Director**  
CV. Wood Sejahtera Abadi  
2024 - Present

In 2024, I founded CV. Wood Sejahtera Abadi, where I currently serve as Managing Director. The company specializes in processed wood, exporting our products to Bali and Surabaya, as well as distributing local processed wood for construction material needs.

**PT JNE – Palu, Indonesia**  
Customer Service | Jan 2019 – Nov 2022

Joined Indonesia's leading logistics company as Customer Service. Handled customer complaints, shipping coordination, and ensured smooth logistics operations.

**Ministry of Environment and Forestry  
(KLHK) – Gorontalo, Indonesia**  
Forestry Service Officer (Tenaga Bakti Rimbawan)  
Mar 2016 – Dec 2017

Served as a Contract Officer under the National Forestry Service Program. Worked in the Forest Area Consolidation Office (BPKH) of Gorontalo Province as a Forest Planning Analyst, focusing on digital mapping, forest area delineation, and inventory.

**PT Total Prakarsa – Palu, Indonesia**  
Planning Consultant for Construction,  
Roads & Bridges | Jul 2012 – Dec 2015

Worked part-time during university in a planning consulting firm. Tasks included drafting, surveying, and digital mapping for road, bridge, and irrigation planning projects.
